

# Declaration of Support for the people of Israel

As Christians and Jews around the world,  
we do hereby state our support for Israel and petition the world's leaders and all people  
who love peace, freedom, and democracy to stand in strong solidarity with Israel as she  
stands against terrorism and struggles for her peaceful existence.

INTERNATIONAL FELLOWSHIP OF CHRISTIANS AND JEWS®

Dear Arch Bishop Cooper,

Thank you for taking an important first step toward standing for Israel by requesting more information about the *International Fellowship of Christians and Jews*. I also appreciate your joining us by adding your name to the *Declaration of Support for Israel*. We will be sending this petition to key world leaders.

I am greatly encouraged by your response to our recent television spot showing the dangers the Israeli people face daily. As Israel braces for even more attacks from her enemies who surround her like swarming bees, your standing with her people brings great encouragement and comfort to those in the Holy Land.

The resources of the Israeli government are stretched to the limit because they are forced to fight terror and face the real possibility of war on multiple fronts. The international media does little to tell their story. But those who become *Guardians of Israel* through their support of *The Fellowship* send them a powerful message of solidarity!

I have enclosed some additional information about *The Fellowship* and our programs along with your copy of the *Declaration of Support for Israel*. I invite you to call our U.S. offices at 800/486-8844 from 8 a.m. – 5 p.m. CST Monday-Friday if you have any other questions that are not answered in these materials.

I am praying that God will lead you to protect and provide for Israel through this important effort. By doing so, you will truly be strengthening Israel and her people, and reaffirming to them the biblical promise, "God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear ..." (Psalm 46: 1-2). Thank you for your interest in helping Israel in her time of need.

With prayers for *shalom*, peace,

*Rabbi Eckstein*
